MyBeauty Academy is the largest training organisation in the Nordic region, specialising in cosmetic injectables.

Having educated accredited nurses and doctors since 2017, we pride ourselves on the fundamentals of patient safety, science and education. Because of this, MyBeauty Academy has been at the forefront of the industry, pioneering the way education is delivered.

As the Nordic regions largest provider of aesthetic practices, we thrive to transform knowledge into results, continue to improve patient safety and drive innovation within the industry.
